## About Us PORTO NOVO

The implementation of the **City Capital of Youth in Cape Verde** aims to **promote culture, peace, tolerance and active citizenship**, through the:

- promotion of exchange and youth mobility
- knowledge of the culture
- creation of safe spaces for discussions of young people among themselves and with the different institutions of society

To show and give continuity, through a multifaceted program, the dynamics in the area of youth in terms of **cultural, social, political and economic** issues.
